MORE PLANNED PARENTHOOD = MORE ABORTIONS

NEW ORLEANS NEEDS PEACE, NOT MORE ABORTION.

Planned Parenthood, the nation's largest abortion business, plans to build a 7,000 sq. ft. "New Orleans Health Center" on Claiborne Avenue. This facility will become a regional abortion center and lead to more abotions in New Orleans. See reverse for facts.

PP performs an abortion on 9 out of 10 pregnant women that enter its doors.

In 2011, abortion accounted for 92% of Planned Parenthood's services to pregnant clients, while prenatal care and adoption referrals accounted for only 7% and 0.6%, respectively.

At PP, **145** abortions for every **1** adoption referral.

PP DOES NOT perform mammograms.

In 2011, PP performed a record-high **333,964** abortions nationally. The population of Orleans Parish was 360,740.

79% of PP abortion centers are located near **MINORITY NEIGHBORHOODS.**

Taxpayer funding consists of **45%** of Planned Parenthood's annual revenue.

(During 2011 PP received $542 MILLION in taxpayer funding.)

Less Prevention, But More Abortion?

Since 2005 at PP:

Contraceptive Services Dropped 17%

Cancer Prevention Services Dropped by 35%

Abortion Services Increased by 26%

All other women's health services PP will offer are readily available in New Orleans
